THE CHILDRENS LITURGY OF THE WORD

9:30 am Angie 11:30 am Angie

NO ONE IS SINLESS

"Sin" is not a word we use very often in today's culture. Yet we must be honest and acknowledge that we sin. Otherwise, we become like people with a disease who are in denial of its implications — we cannot hope to be cured unless we admit that it exists. Sin is a disease of the soul, a disease in our relationship with God. When we sin, we fail to live as we know God desires. The truth is, no one is sinless. We all fail. We may have moments of intense union with God and live as we know we ought. Yet we also have times when we miss the mark. Because we are human and know that we fail, it is easy to adopt a pattern of judgmental behavior. We point to the splinter in our neighbor's eye while failing to remove the plank from our own. Jesus' response to the scribes and Pharisees is clear on this account. "Let the one among you who is without sin be the first to throw a stone at her."

The bad news is that we all sin. The good news is that God's mercy is available, always, at all times. We must be sorry for our failures and, if our sin is grave, take part in the sacrament of Reconciliation. Jesus' encounter with the woman in today's Gospel, as with so many others in the course of his earthly ministry, stands as proof that God is merciful and forgiving. As we continue to journey through the season of Lent, it is good for us to pause and reflect — on our relationship with Christ and on God's infinite mercy.

THE POPE'S MONTHLY INTENTION

Each year, the Holy Father asks for our prayers for a specific intention each month. You are invited to answer the Holy Father's request and to join with many people worldwide in praying for this intention each month. From time to time, the Holy Father may add a second prayer intention related to current events or urgent needs, like disaster relief. The second prayer request will help mobilize prayer and action related to the urgent situation.

The Holy Father has entrusted these intentions in a particular way to the Pope's Worldwide Prayer Network (also known as the Apostleship of Prayer), an organization that works to encourage Christians to respond to the Pope's appeal and to deepen their daily prayer. You can find more information about the Pope's Worldwide Prayer Network on their [website](#). . . . (The Pope's Worldwide Prayer Network will also publish any urgent prayer intentions of the Holy Father as soon as they are received from the Holy See.)

April's Intention:

**Doctors and their Collaborators in War Zones
For doctors and their humanitarian collaborators in war zones, who risk their lives to save the lives of others.**

CHURCH REGULATIONS REGARDING FAST & ABSTINENCE

Abstinence from meat (beast or fowl) is to be observed by all Catholics **fourteen years old and older on Ash Wednesday and on all Fridays of Lent.** This obligation prohibits the eating of meat, but not eggs, milk products, or condiments of any kind, even though made from animal fat.

Fasting means limiting oneself to one full meal on a given fast day. Catholics who are **eighteen years of age but not yet fifty-nine are obliged to fast on Ash Wednesday and Good Friday.** On fast days, two additional smaller meals are permitted if necessary to maintain strength. However, the two smaller meals together may not equal one full meal. Moreover, eating solid foods between meals on fast days is not permitted. The exception, of course, would be those under physicians care, in which case an individual is encouraged to do another form of penance.

PRISON MINISTRY CORNER

Our Catholic brothers at Richland Correctional who are involved in the re-integration programs involving knitting and crocheting send their deepest thanks for all the donations from our parish. The plastic grocery bags are woven into portable sleeping mats for the homeless. The yarn is used for a variety of items including hats, scarves, blankets, and stuffed animals; these items are given to first responders and other community programs involving traumatized children. There is a need for more crochet hooks—PLASTIC only. Mark any donations "Prison" or "Lynne" and bring to the Parish Center during business hours. Thank you so much!

CHANGES TO COLLECTION ENVELOPES

If you have opened your new packet of Sunday Offering envelopes, you will notice some changes starting this month. The design has been simplified and standardized across the envelope designs to make it easier to complete and for our counting teams to read and accurately record your gifts. If you split your gift between the parish and school on your weekly envelope, put the amount of the split on each line and the total amount inside the box. (i.e. \$10 Parish, \$15 School, \$25 Total Gift). The monthly (green) collection envelope also has some changes to the list order, so your normal choices may have moved. If you have any questions, please feel free to contact the Development Office.

CLEANING VOLUNTEERS NEEDED

Volunteers are needed to be a part of one of the teams who will do light cleaning in the church once a month. We hope to have 3 or 4 teams. We would also need help twice a year with cleaning before Easter and Christmas. If you would like to help call Angie Dillon at 419.524.2572 ext.3108. People of all ages are welcome. GOD'S ACTIONS NOW

When Jews celebrate the Passover, they always tell the story of the Exodus in present terms, as if they themselves experienced those events: when we were prisoners in Egypt; when God brought us out of slavery and through the waters of the sea. We would do well to follow their example and see the works of Jesus and his sacrifice as being in the present, as happening to us now. We believe that Christ's work, his teachings, and his sacrifice on the cross were not just for his followers in the past, but for all people at all times. When we think of this in our prayers, we become one in faith with that great cloud of witnesses, the saints.

We have been striving through Lent to repent of our sins and failings, and to follow Jesus more closely. Today in the story of the woman caught in adultery, we see Jesus forgiving the woman, saving her from a horrible death, and urging her not to sin any more. This is new, and brings out something for which the law had not allowed—forgiveness. Of course one can sin no more if one is dead, caught in one's sins forever. But Jesus introduces the concepts of forgiveness and reconciliation.

TREASURES FROM OUR TRADITION

Next weekend, many churches provide palms to be carried in the opening moments of the liturgy, as we gratefully recall Jesus' entry into the holy city of Jerusalem. The children who greeted him on that day used what was both handy and traditional, since palms were carried to inaugurate the joyful harvest feast of Succoth. To this day, faithful Jews are directed to take a beautiful palm branch, green and straight as possible, called a lulav, and bind it with three myrtle branches fifteen inches long, and two longer willow branches. At the end of the temple service, everyone carries the lulav, circling the sanctuary in a dance called the Hoshanot, singing hymns of joy. In other climates, Jews and Christians alike have had to make accommodations over the years. In Italy, everyone carries olive branches today, often brought from their own garden. In England, forsythia branches are preferred, a relative of the olive, sign of peace. Germans prefer pussywillows, and others look for flowering spring branches. In our part of the world, what do you think would be the best choice to express joy and welcome, and to remind us of the joy of Christ's victory even as we prepare to commemorate his passion?
