We have all come across people who are bitter, negative, overly critical, and – I think the word is “acerbic.” Oftentimes they can “zap” the energy and positive thinking right out of you!

St. Francis deSales (1567-1623) was bishop of Geneva at a time of bitter division between Catholics and Protestants in the aftermath of the Reformation. In spite of this spirit of the times, he was renowned for his gentleness and patience. One of my favorite quotes from his writings is: “One can attract more bees with a spoon of honey than with a barrel of vinegar!” In this he demonstrates the wisdom of the Beatitude, “Blessed are the gentle, they shall inherit the earth.”

This occurred to me when I was reflecting the other day on the generosity, sacrifice, and love many people of our parish possess. Every once in a while it’s good to say “THANK YOU.” Sometimes we take family for granted. Other times we overlook the gestures of kindness that others do for us. So every once in a while, we need to take a step back and say **THANK YOU for what people do for us.**

I wish to say thank you for the many things that active parishioners continue to do as a reflection of their gratitude to God. Whether that is supporting our efforts, difficult as they may be; or substituting for a minister at the altar; or the time someone gives for the Christian formation of our youth; cleaning our parish church or the kindness we extend to another in the name of Christ. Many people, week in and week out, sacrifice from their treasure to keep our parish going and growing. I specifically mean those who give from their own resources to maintain our parish ministries, as well as for the countless who offer their time and service because they love God and love this parish.

Years ago, Helen Steiner Rice offered this meditation entitled, “A Sure Way to a Happy Day.”

“Happiness is something we create in our mind,  
It’s not something you search for and so seldom find.

It’s just waking up and beginning the day

By counting our blessings and kneeling to pray.

It’s giving up thoughts that breed discontent

And accepting what comes as a ‘gift heaven sent.’

It’s giving up wishing for things we have not

And making the best of whatever we’ve got.

It’s knowing that life is determined for us,

And pursuing our tasks without fret, fume, or fuss.

For it’s by completing what God gives us to do

That we find real contentment – and real happiness, too!

(Author: Helen Steiner Rice)

Have a wonderful week!

**CHURCH HOURS OPEN**

Over the past couple of years, we have had a number of incidents of vandalism in our church during the day. Each had to be reported to the diocese. Moreover, during the restoration period of nine months, we had to lock the church due to the scaffolding being up and to avoid injury. Even with the security cameras in the church, leaving all door open all day is not prudent.

However, for those who wish to come to pray, we now have the **NORTH SIDE door of the church OPEN**—(side closet to rectory, so we can monitor through the security cameras in the parish office as well as from the rectory kitchen) during the day. **On Monday and Friday** we will open the door mid-morning and will lock the church after the evening Mass. **Tuesday through Thursday**, the church will be open prior to the 7:00 am Mass and will be locked by 5:30 pm.

We encourage parishioners to take advantage of these times for private prayer before the Blessed Sacrament.

**PRISON MINISTRY CORNER**

Our brothers at Richland Correctional send their thanks for all the support from our parish staff and parishioners, especially your prayers. Please continue to lift our brothers in prayer each day. We ask special prayers for our brothers who desire to change their ways and stay on the right path but lose strength and give in to temptations and addictions. It may be YOUR prayer that leads someone back to God.

## 175TH ANNIVERSARY NOTES

In the last column we began a look at the pastorate of Monsignor Edward C. Dunn, the ninth Pastor of St. Peter's. We continue that look here.

As noted previously, Father Dunn was appointed Principal at Tiffin Calvert High School in 1956. His leadership didn't end at the schoolhouse door, however. Father Dunn was actively involved in the United Fund Drive in Tiffin during his time there. He served as one of the directors of the drive for twelve years. Eventually, the United Fund Drive came to be known as the United Way. Father Dunn was active in many other community programs as well.

Father Dunn also served on the Toledo Diocesan School Board during his tenure at Calvert. On January 3, 1964, Father Dunn was honored by Pope St. Paul VI who, at the request of Toledo Bishop George Rehring, named Father Dunn a Domestic Prelate of the Papal Household with the title of Very Reverend Monsignor.

In the spring of 1969, Bishop John A. Donovan, who succeeded Bishop Rehring in 1967, transferred Monsignor Dunn from Calvert Principal to Mansfield St. Peter's, where he became the ninth Pastor. At the time St. Peter's was the largest Parish in the Diocese. He took the place of Monsignor James Hebbeler, who was assigned to the Pastorate of St. Louis Parish in Toledo. From his arrival in Mansfield onward, Monsignor Dunn was a dynamic leader. In addition to being Pastor, he was also the Principal of St. Peter's High School and taught Theology as well. Upon Monsignor Dunn's arrival in Mansfield, Bishop Donovan named him Dean of the Mansfield Deanery.

During his term as Pastor, Monsignor Dunn worked very hard at helping to implement the changes promulgated by the Second Vatican Council. The 1969 Christmas bulletin, reflecting among other things the appointment of laypeople as lectors for the Parish became the model for the Parish bulletin thereafter. Monsignor Dunn also updated the roles of the Parish Council and the Parish Education Board.

Monsignor Dunn was one of the clergymen who founded the Inter-Church Council in Mansfield in an effort to promote ecumenism and understanding among denominations. The Rev. Robert Baker, another Inter-Church Council member and Pastor of First United Methodist on the square, said of Monsignor Dunn, "...He's one of the most ecumenical leaders I've ever known." Monsignor Dunn also served on the Diocesan Priests Personnel Board and helped to establish many of the charitable outreach programs in our area.

Monsignor Dunn was an enthusiastic and active supporter of St. Peter's Schools. It was Monsignor Dunn who directed the effort to procure the site of the old Carpenter School across the street from the High School. The old school building was razed and the site became a parking lot for the Parish. Monsignor Dunn also oversaw the expansion of the rectory, when an extra room was added at the back of the house to serve as a meeting and working space for the Parish. The newly completed room came to be affectionately known as the Dunn Inn.

We will continue our study of Monsignor Dunn's pastorate in the next column in the bulletin.

## GOD WANTS TO BE KNOWN

The Old Testament reading from Deuteronomy praises God for inscribing the commandments in our very bodies. God's law is not distant or foreign, but a natural part of us. In his letter to the Colossians, Saint Paul echoes Moses, praising God for becoming one of us. The truly human, flesh-and-blood Jesus reminds us that God always wants to be recognizable and familiar to us. Jesus, who is also truly God, wants to be on intimate terms with each of us. God's passionate desire to be known by us is almost too wonderful to take in. Luke's Gospel helps us understand how to respond. The Good Samaritan parable provides practical advice for those who believe in God's intimate love for them and want to share that love with others.

## TREASURES FROM OUR TRADITION

On a summer day, with the windows open, we may hear the sound of church bells. Bells seem to have come into church life in Irish monasteries around the seventh century, and spread around the Christian world by Irish monks on missionary journeys. By the eighth century, bells were standard equipment in even small parish churches. An ancient ceremony, once called the baptism of the bells, recognizes that the church bell has a voice to call people to awareness and summon them to worship, and even bestows a name on the bell. In a world without clocks or watches, the bell had an indispensable role. For calling monks in from the fields for prayer, or alerting far-flung visitors, the bell's voice was enhanced by hoisting it high into a tower. Soon it was learned that the sound of several bells clanging together in harmony imparted a sense of joy to great celebrations, and bell towers prospered, some chock full of bells. Different combinations of rings could indicate a death, a Mass, a wedding, a fast day, the curfew at the end of day, and the Angelus. Before electricity, bell-ringing was hard work indeed: the biggest bell in the Catholic world, in Cologne, Germany, weighs twenty-seven tons! There's no substitute for the resonant roar of a mighty bell; electric chimes are not eligible for blessing!
