## FROM THE PASTOR

Please check the bulletin this week for the daily Mass schedule. Most of the Mass times, including Easter Sunday, will be different as a result of it being Holy Week. Additionally, for the Easter Vigil Mass, the blessing of fire will be here at St. Peter outside the doors of the church. This should be helpful for

those who have difficulty walking but would like to participate in the beautiful "service of light" that begins the Mass.

There is no other week in the entire year as important as this week. This is because Jesus' passion, death, and resurrection brings redemption to humanity. Our redemption is not trivial nor is what was needed to accomplish it trivial. We could never be grateful enough for Jesus' selfless actions. However, to experience the fruits of what Jesus has done for us, every person has to take an active part in their own salvation. Gifts must be accepted in order for them to be experienced.

Jesus prepared humanity for their redemption during His three years of public ministry. It was during that time that He taught us and encouraged us to live the teachings and commandments of God. After that Jesus went to Calvary to accomplish salvation. Three years of preparation culminated in the three days of salvific activity we celebrate as the Triduum.

The word "Triduum" signifies the holiest days of the entire year – Holy Thursday evening through Easter Sunday. During these days we are called to enter into the most intense and important days of Jesus' ministry here on earth. When we do so, our love of God increases in profound ways. It's important to remember that "you only get out of it what you put into it."

As a result, I strongly urge you to put on hold everything that is non-essential this week. Just as we would put everything on hold if a family member were dying, so we should try to do the same for the Triduum. A good test for what to do or not to do is whether it leads you away from Jerusalem and Calvary or closer to it. This week we further intensify our prayer, fasting, and almsgiving.

Many people think (falsely) that Easter Sunday is the day that salvation is accomplished. Let us remember that it is after Jesus leaves the Upper Room with the disciples that He enters the garden and begins the principal work of salvation. Here He contends with every hurt, pain, sorrow, and suffering of every human person who has ever lived or will

live, all because of our sins. It is during this time that Jesus asks us to "remain with" Him.

He continues this monumental conquest through the night into Good Friday. When He has totally and completely finished offering Himself, culminating in His death on the Cross, He "rested" in the tomb during the Sabbath day (Saturday). The work of salvation was complete except for one remaining detail – He must rise so that we know He is victorious and that we have the courage to follow Him in doing what He did.

Blessings to you this Holy Week!

## PRAYER OF THE WEEK

## Palm Sunday of the Passion of the Lord

Almighty ever-living God, who as an example of humility for the human race to follow caused our Savior to take flesh and submit to the Cross, graciously grant that we may heed his lesson of patient suffering and so merit a share in his Resurrection.

Who lives and reigns with you in the unity of the Holy Spirit, God, for ever and ever.
