## FROM THE PASTOR

Dear Parishioners,

This Sunday is an exciting day for some of the youngest members of our parish and their families. Our second graders are receiving for the first time the sacrament of Holy Communion. They have been devoting much of this year preparing for what hopefully will be the first of many, many occasions when they receive the Body and Blood of Jesus at Mass. Like many of you, I still remember the first time receiving the Sacred Host at Mass, which I couldn't explain how, but knew to be Jesus. It was very simple for me, and three words said everything that needed to be said: It is Jesus!

My reasoning was that if God could become man, and if God could speak through the burning bush that didn't really burn, then God could make Himself present in and through the consecrated host at Mass. It was obvious to me even at a young age that God wants to be close to His people, and Holy Communion was the most special way He does that. Please pray that all Catholics, especially our second graders, will grow in their love and understanding of this great sacrament. Pray that more of our own parishioners will understand we do NOT receive bread and wine at Holy Communion, but instead the Body and Blood of Christ.

Part of their preparation for this sacrament was helping them understand how to be properly prepared. They have been taught about fasting beforehand, not having gum in their mouth during Mass, and how to fold their hands. But even more, they have been taught about the importance of going to the sacrament of Confession often, especially if they have committed serious sin. Young children don't have to be too concerned about this, but teenagers up through adults do. God reminds us that whoever, therefore, eats the bread or drinks the cup of the Lord in an unworthy manner will be guilty of profaning the body and blood of the Lord. (1 Cor. 11:27)

Congratulations also to our eighth graders who received the sacrament of Confirmation here at St. Peter last Sunday. They too have been preparing for this sacrament. They have been studying the seven gifts of the Holy Spirit and learning how these are meant to help them become mature Christians. They have been learning how they received these at Baptism, but each of these gifts are strengthened through Confirmation. This is meant to help them truly live the Catholic Faith as the Saints did.

The sacraments are meant to help us be transformed more into the likeness of Christ each day. God tells us in the Bible to think about what is above and to work for what is above. We can be consumed too easily with earthly things and, as a result, not put the time and effort we need into spiritual matters. May your home be a place that fosters a focus on the spiritual. Let's encourage each other in the work of spiritual growth!

Gratefully,  
Fr. Miller

## WHO'S ELIGIBLE FOR EDCHOICE?

With all the changes to the elementary schools inside the Mansfield City School district this year, it has become quite confusing for parents looking to choose a different option for their child.

If a child is currently assigned to any of the following school buildings for this school year (21-22), they are eligible for an EdChoice scholarship.

- Mansfield Senior (9-12)
- Mansfield Middle (7-8)
- Malabar (3-6)
- Prospect (K-3)
- Sherman (K-3)

If a child is reassigned to a school on the list above for next school year, they will automatically become eligible for a scholarship. If a student on the list above attends a charter school, open enrolled at another public school or attends a specialized school like Spanish Immersion, their eligible if their assigned public school is listed above.

### Sibling Rule

If you have one child that meets the criteria above, all students in the family would be eligible to receive a scholarship.

### Questions? Call us!

The best way to determine eligibility, is to call Laura Gregory, State Scholarship Coordinator. She can look at each individual family and determine if a student is eligible for a scholarship.

### Tour our school

If your family is not currently eligible for an EdChoice Scholarship, and you still want a better option for your child. St. Peter's School will work with you. We have thousands in available financial aid to help assist families who want a Catholic education for their children.

***Pope Francis says that "Catholic education gives soul to our globalized work and radiates the promise of Christian salvation."***

A resurgence in Catholic education is happening at St. Peter's. Exciting changes are on the way for the 2022-23 school year. Please call Jason Crundwell (419) 524-2572 to setup a school tour and see how your family can be part of the St. Peter's School Family.

## GOD'S OVERFLOWING KINDNESS

The superabundance of God's kindness ties all of today's readings together. Especially when life overwhelms us, the Lord provides all we need, and then some. In the Acts of the Apostles, Peter takes the lead when facing the Sanhedrin. We might expect the man who denied Jesus to crumble under the imposing glare of the high priest. Instead, the Holy Spirit helps him testify to his faith in Jesus Christ. What Peter had lacked before, courage and conviction, God provides in abundance. Similarly, today's Gospel shows Jesus providing a surplus of fish for the disciples. They have no luck fishing until the Lord intercedes. Jesus supplies an almost ridiculous number of fish, and he cooks it for them, too. As our reading from Revelation affirms, the overflowing riches of God require constant praise. Countless creatures—"everything in the universe"—cry out to honor the Lord, forever and ever.
