FROM THE PASTOR:

Dear Parishioners,

My message this week is the third in a series of how our choices affect ourselves and others. As mentioned last week, Adam and Eve fell for the lie of Satan, who says we can commit sin without being adversely affected by it. That thinking has infected much of our world, from the least to the

greatest. We have fallen for this destructive lie because humanity has made itself the sole determiner of truth. God, who is the creator of the universe, has given us instructions that we politely but plainly ignore.

Modern thinking is that God understands and forgives our 'free' lifestyles. Since we understand and forgive others in their lifestyles, we conclude that the merciful and loving God does the same for us. Is there something deeper that is behind this 'modern' thinking? I think so. It's not obvious at first glance, but the following New Testament passage helps to take us to the heart of the issue: "lovers of pleasure rather than lovers of God, claiming to be religious yet denying its power" (2 Tim 3:4-5).

As an example, in a recent survey, two-thirds of Christians indicated that sexual intercourse between unmarried adults is morally permissible. As we might expect, those who attend church regularly, which in the survey was monthly, were less inclined to agree with this thinking. However, one-third of them still thought casual sex was morally permissible. Sadly, Catholics are the most likely to agree with this behavior, and if the sexual activity is homosexual, then slightly fewer Catholics (one-half) think such behavior is morally acceptable. In case you are unsure, it isn't.

Humanity today claims to have progressed morally, and therefore better understands God. As a result, they claim the actions above are not sinful. However, such behavior has occurred many times throughout history, and each time it has been reaffirmed as being gravely sinful. What has been lost, or willfully ignored, is that sinful behavior is damaging. It is a poison of its own that damages the person according to type and quantity. The truth (reality) is sinful behavior damages us and, as a result, hurts society. Our actions have more consequences than many people want to believe and the woundedness of our society makes that evident.

God speaks to us plainly, with great insight, about those living according to human thinking: "They exchanged the truth of God for falsehood, and worshiped and served the creature rather than the Creator, who is blessed forever" (Romans 1:25). Rebelling against God would make sense if God were uncaring and tyrannical. We know the goodness of God is greater than our imagination can ponder. So why rebel against God when we only hurt ourselves?

This Sunday we focus on the Trinity, looking briefly at the completely selfless love each of the Three Divine Persons has for the other Persons of the Trinity. Their actions begin and end with the other Persons. If we want to enter into Heaven, then we MUST selflessly love God. That means looking to the Father as we think, and certainly before we act. Love of the Father, the Son, and the Holy Spirit is seeking their will for your life and following their commandments.

Sincerely,
Fr. Miller

Correction: The Mass intention for the 7:30 am Mass for today, June 4, 2023, was for Mary (Berger) Kramer.

FRENCH BOYS CHOIR—HOST FAMILIES NEEDED

The Boys' Choir from Maîtrise des Hauts de France will perform on July 22, 2023, at 7 pm at St. Peter Church. The choir has sung here in the past, and we are fortunate to have them return. They are a true joy, and their voices are amazing.

We need at least 20 host families for this group while they are in Mansfield. There is a total of 32 children to teenagers and six adults. The performers will be a minimum of two (2) per family for two nights. They will arrive on July 21 and depart on July 23 mid-morning. If you want to open your home to this wonderful opportunity, please get in touch with Pattikastelic220@gmail.com or 419-564-1951.

SOCIETY OF ST. VINCENT DE PAUL

Have your considered answering the call to join?

Members of the Society of St. Vincent de Paul ("Vincentians") are Catholic men and women who strive to grow spiritually by offering person-to-person service to neighbors in need. Our members are gifted with an awareness that the blessings of time, talent, and treasure are to be shared with neighbors in need. Our ministry is small, and we can use help taking calls, coordinating assistance to those in need, prayers, and donations.

We usually meet on the first Tuesday of each month at 7 pm at St. Peter in Assisi Hall or by Zoom. If you are interested in learning more – please call St. Peter at (419) 524-2572 and ask to leave a message in the St. Vincent de Paul voicemail.

PRISON MINISTRY CORNER

This Easter season has brought much joy to our RiCI Catholic community. Our brothers have been expressing gratitude for all the good gifts the Holy Spirit endows. There is a sense of unity and evangelization reinforced by the example shown by our Catholic community softball team; our brothers are truly models of Christian men in the way they take the lead in group prayer before and after games, setting high standards for proper behavior, and noticing that other teams are now refraining from using profanities in our team's presence. We invite any group of men (over age 18) from our parishes to consider coming to RiCI once this summer to play softball – just for fun! Contact Lynne to schedule – lukach.lynne@myspartans.org
